

Department of shalya Tantra is one of the most important branches in GAMC Bangalore. This branch deals with various surgical and parasurgical procedures. Surgical procedures in various anorectal disorders like Arshas, Bhagandara and Parikartika. And also many other diseases are treated with special techniques of parasurgical procedures like Ksharakarma, Ksharasutra, Agnikarma and Rakthamokshana. Among the types of Rakthamokshana siravyadha, jaloukavacharana and pracchanna are practiced extensively in many of the challenging cases like non healing ulcers especially venous ulcers and diabetic ulcers. This department has its own OPD, IPD, Major and Minor operation theatre with well equipped instruments, vranagara, ksharasutra unit, Rakthamokshana unit, Agnikarma unit, and casualty. Here many undergraduates and post graduates are trained. Department of PG studies in Shalya Tantra was started in 1977. Since then more than 300 PG scholars are trained here. Institution is periodically conducting various seminars, lecture series, workshops for academic benefit of students community.
